The names of ordained clergymen are printed in *Italics*.

A star (*) prefixed to a name denotes that the person is deceased. In every case in which the year of the decease is known, except in the case of officers and members of the faculty, it is indicated at the right.

All persons, who can furnish information appropriate to the future editions of this Catalogue or of the Obituary Record, are

urgently requested to communicate with Professor George R. Hardie, the editor. It is desired especially to keep a full record of the public services, published writings, and literary and scientific work of both graduates and non-graduates; also of their present addresses, and of the dates of death and ages of the deceased.

A record has been opened by the editor for the reception of notices of the Alumni. All biographical sketches, newspaper and magazine notices, and obituaries of Alumni, and notices and reviews of their works and services are desired for this record.

An annual catalogue is issued by the University and may be had on application to the Secretary.

The last edition of the quinquennial catalogue of the University was issued in 1900.

FOUNDATION

THE ST. LAWRENCE UNIVERSITY was chartered by the Legislature of New York, by Chapter 91 of the laws of 1856, passed April 3, 1856, for the purpose "of establishing, maintaining and conducting a college in the town of Canton, St. Lawrence county, for the promotion of general education, and to cultivate and advance literature, science, and the arts; and to maintain a theological school at Canton aforesaid."

The University now includes:

THE COLLEGE OF LETTERS AND SCIENCE,
THE THEOLOGICAL SCHOOL,
THE LAW SCHOOL,
THE SCHOOL OF AGRICULTURE.

Each department is independent of the others in its faculty and funds, and in the instruction and government of its students. The by-laws of the corporation, adopted in 1856, provide "that the College of Letters and Science is and shall remain an unsectarian foundation" * * * and that "the Theological School is and shall remain an institution especially intended and organized for the preparation and training of persons for the ministry of the Universalist church."

Under the original charter the corporation was a self-perpetuating body. Chapter 123 of the laws of 1868 amended the charter by providing for the election of the trustees by the New York State Convention of Universalists. Thus the law remained until March 16, 1910, when, by chapter 39 of the laws of 1910, chapter 123 of the laws of 1868 was repealed, and the power of the corporation to fill vacancies in its membership was restored.

Chapter 40 of the laws of 1910 provided for a separate board of nine trustees for the Theological School, to be chosen by the New York State Convention of Universalists.

Chapter 288 of the laws of 1869, passed April 22, 1869, authorized the establishment of a Law School. A Law School was main-

tained in Canton from 1869 until 1872 and two classes graduated. In 1903 the Brooklyn Law School, which had been incorporated by the Regents of the University of the State of New York, was placed under the academic control of the St. Lawrence University.

The School of Agriculture was established pursuant to chapter 682 of the laws of 1906, passed May 31, 1906, and is maintained by the State of New York.

The CLINTON LIBERAL INSTITUTE was founded in 1832. It was removed from Clinton to Fort Plain in 1879 and in 1901 was removed from Fort Plain to Canton. Its income is now devoted to the support of the University.
